9. (Internal Use Only - JGO) In response to an earlier call, I talked to Judith Spahr, on the staff of the Senate Permanent Investigations Subcommittee, and gave her a brief biographic sketch re [redacted] based on information furnished by [redacted] Miss Spahr asked if similar information could be provided concerning (FNU) [redacted] who is supposed to be with Izvestia. [redacted] has been advised.

10. (Internal Use Only - JMM) Mike Copps, Executive Assistant to Senator Ernest Hollings (D., S. C.), called to say that the Senator was very anxious for a quick briefing on truce violations in Indochina prior to a 10:00 meeting tomorrow morning. Copps apologized for the short notice but asked if there was any way, we could help him. I said I would be back in touch. After checking with the Director and consulting George Carver, SAVA, I called Copps back to say that unless something unforeseen intervened, Carver would meet with the Senator around 9:30 tomorrow.

12. (Internal Use Only - LLM) Met with Ed Braswell, Chief Counsel, Senate Armed Services Committee, in preparation for Thursday's session with the full Committee on retirement quota legislation, covering the impact of the legislation on the integrity of the fund and the 1 April effective date, among other things. It was Braswell's opinion that things were going rather well and that we should not anticipate any problems with the Committee; but he does believe we should be aware of the possibility that when the measure reaches the floor some Members might attempt to attach riders concerning the Agency, such as the Cooper bill which requires the Agency to share all of its information and analysis with the foreign affairs and armed services committees. See Memo for the Record.
